

ON DECK CATERING MENU

Spending the day on the water? Leave the meal planning to Market 21. Whether you've scheduled a fishing trip with a local charter boat or headed to Crab Island, our **on deck catering service** will upgrade your experience. Skip the hassle of shopping, prepping, cooking and wasting valuable vacation time.

Orders can be submitted online 72 hours before your trip. All orders will be delivered to the dock in a Market 21 soft side cooler with cold packs. This is your cooler to keep and a great way to bring back your fresh caught catch. **“On Deck Premium” catering service is available for overnight trips.** Contact us for details and pricing.

We'll create a custom menu, come to your boat and bring all the flavors the Gulf Coast has to offer!
